

# WE STILL CAN'T STOP MAKING REPAIR BILLING EASIER

**Decrease Errors**

## **Increase Productivity Start Reading AEI Tags**

Express Yard's new AEI tag readers have made car repair billing even easier. You can now read error-free car information from AEI tags directly into the industry leading Express Yard car repair billing system, increasing speed and accuracy with the pull of a trigger.

And don't worry about cost. Express Yard is an inexpensive repair billing solution for any size shop or railroad.

To top it off, our customers are raving about our customer support. We are constantly improving and adding new features to Express Yard based on their feedback. But don't take our word for it; call us today for a free demo and to find out what our customers are saying!
